FORMULA 1 IN BAKU

Name of the Project

: Formula 1 races in Baku

Project Duration

: 3 MONTHS

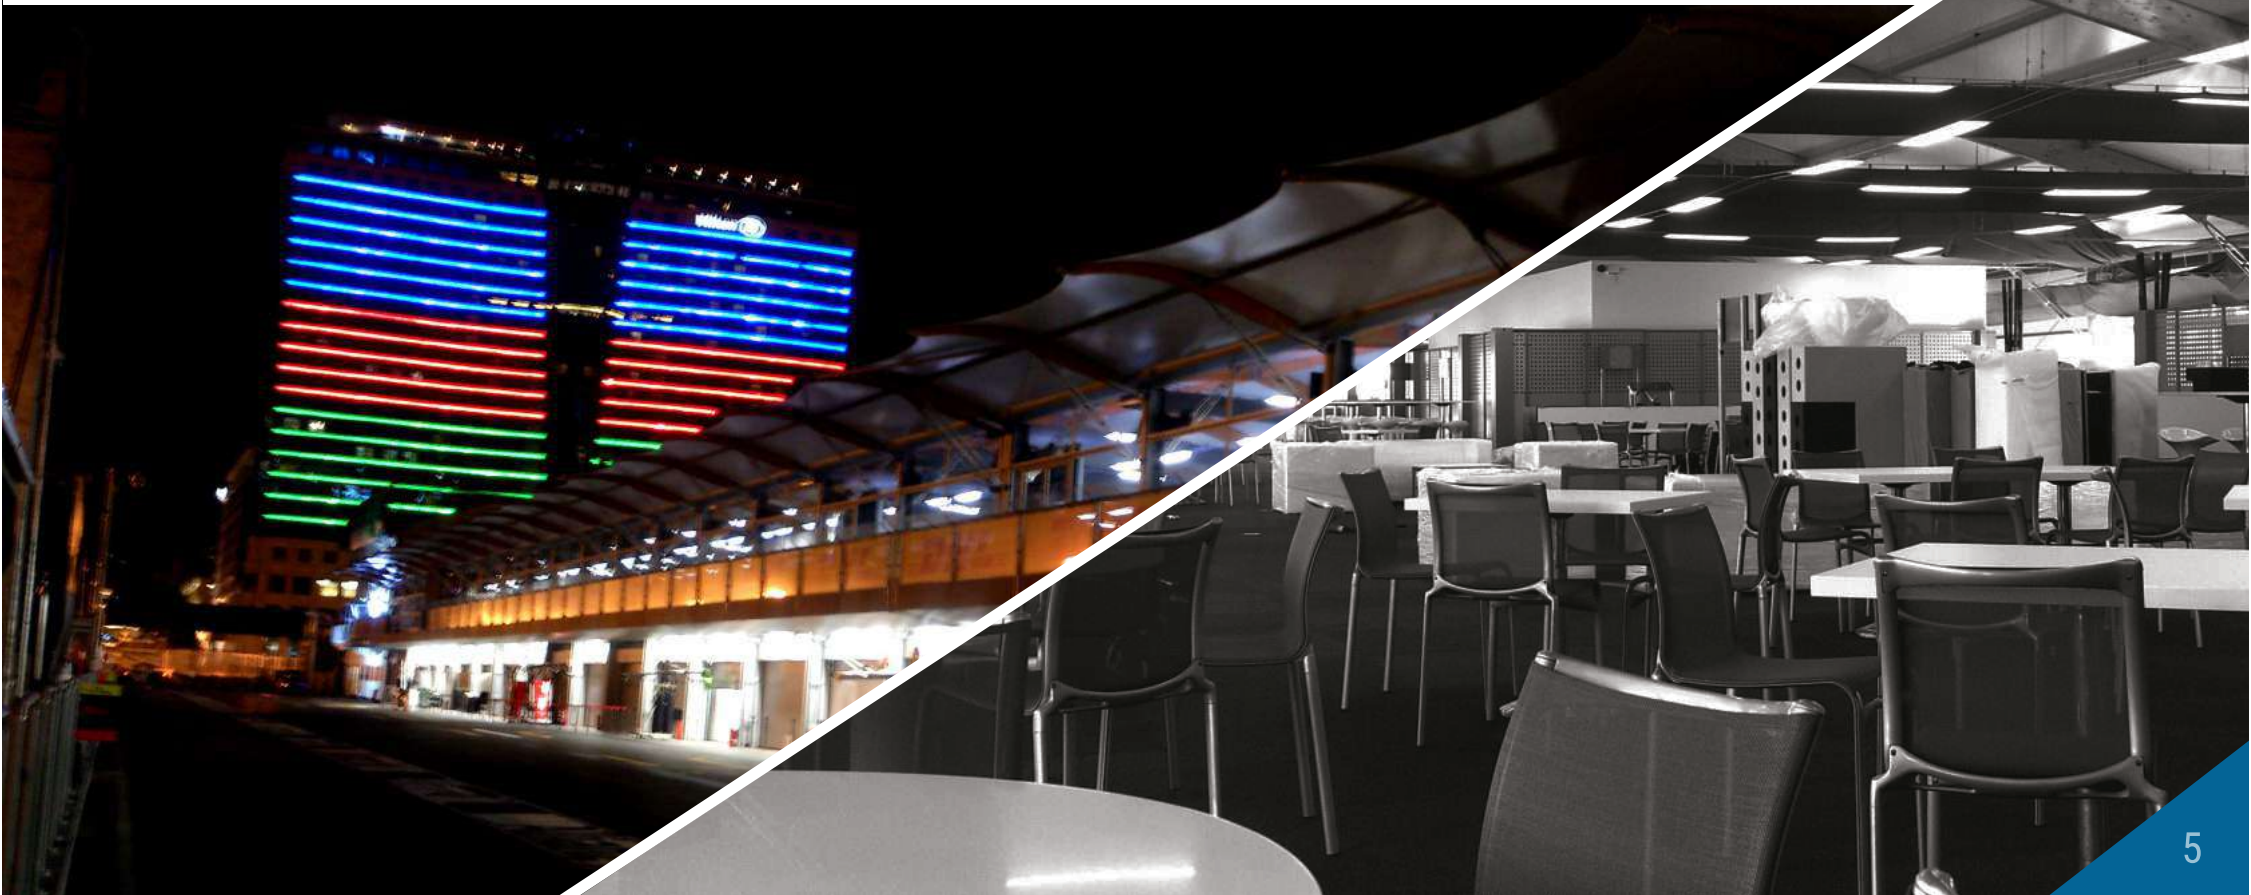

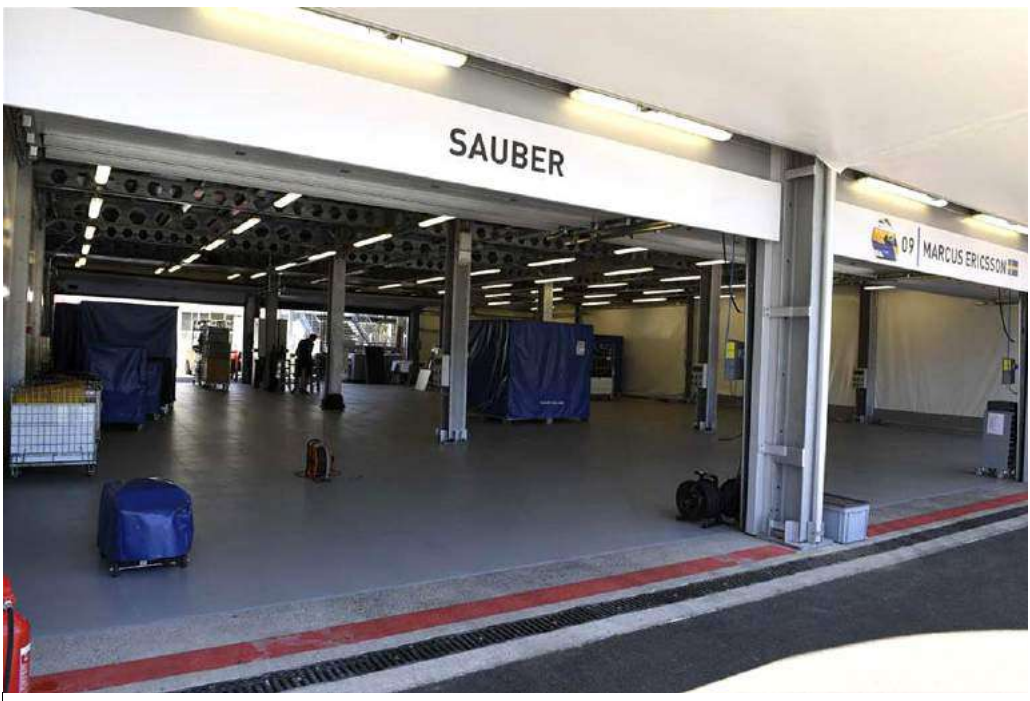

Project Budget

: 1.300.000,00 USD

Description of Work

: The supply of all electrical materials,

VOLVO & MACK SHOWROOM

Name of the Project	: Construction of the VOLVO building
Project Duration	: 10 MONTHS
Project Budget	: 2.500.000,00 USD
Description of Work	: The supply of all electrical materials,

NO.3 SCHOOL

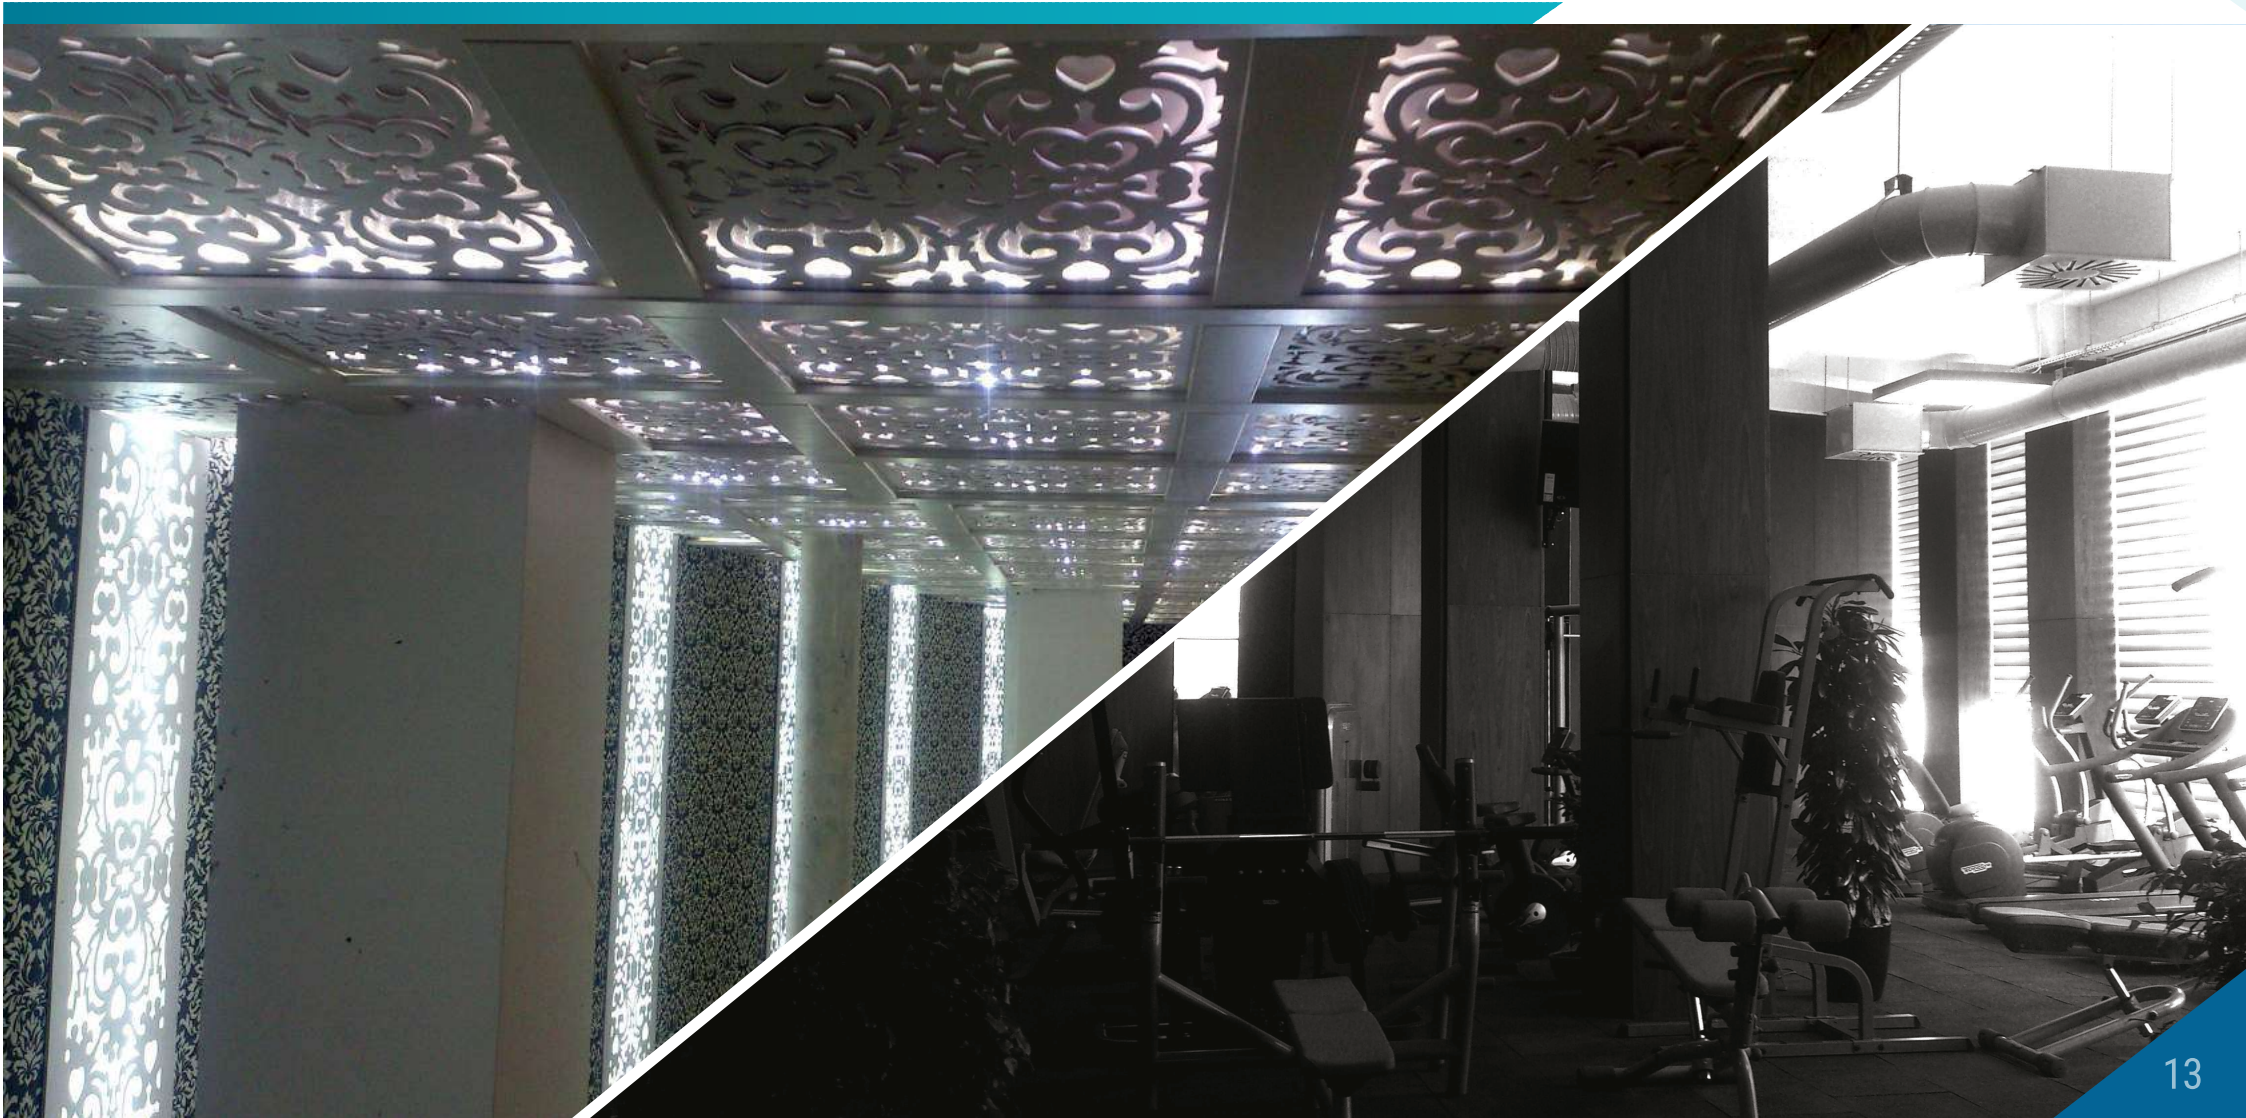

Name of the Project	: PROFESSIONAL HIGH SCHOOL
Project Duration	: 8 MONTHS
Project Budget	: 116.800,00 USD
Description of Work	: Supply of all electrical materials,

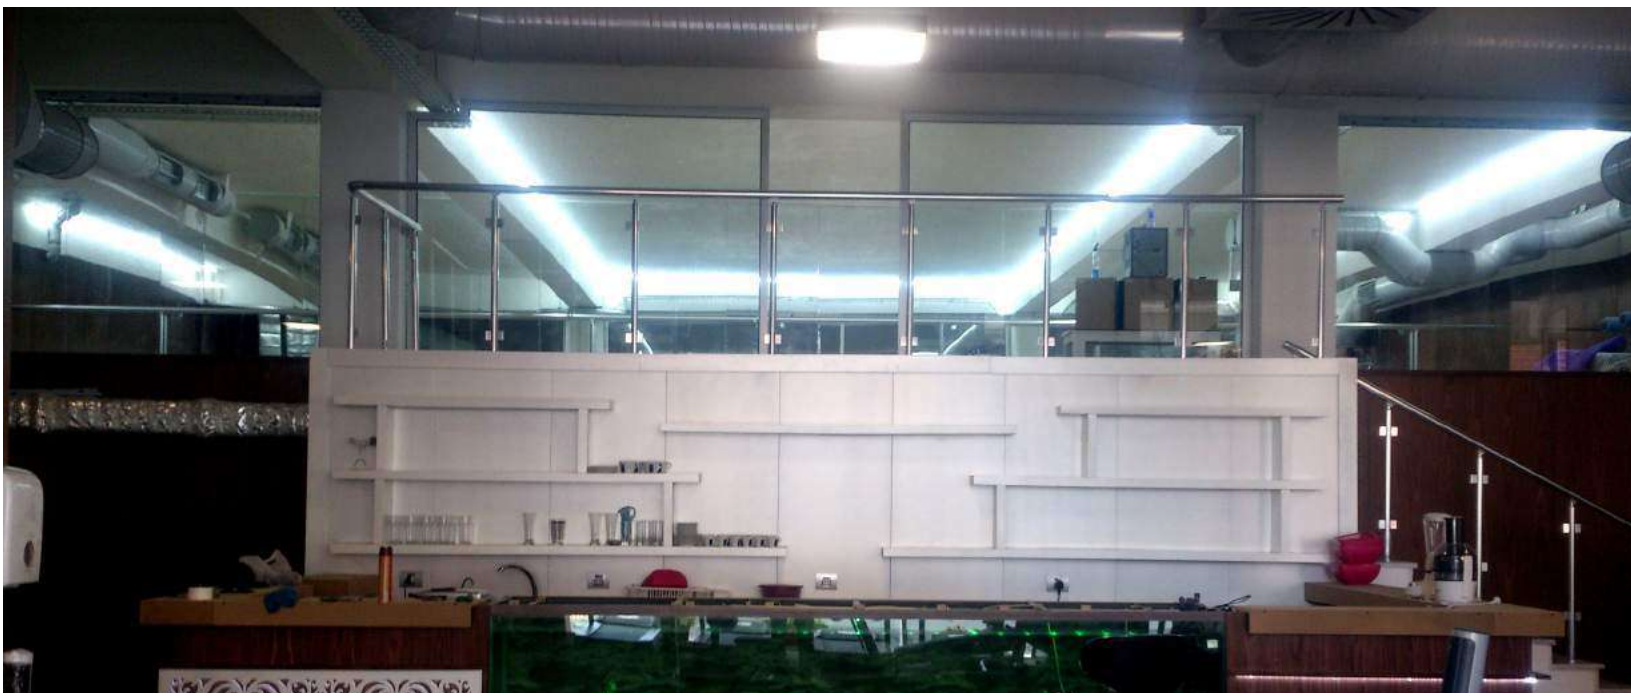

FITNESS CLUB

Name of the Project	: Fitness Center
Project Duration	: 3 MONTHS
Project Budget	: 23.700,00 USD
Description of Work	Description of Work: : Supply of all electrical materials

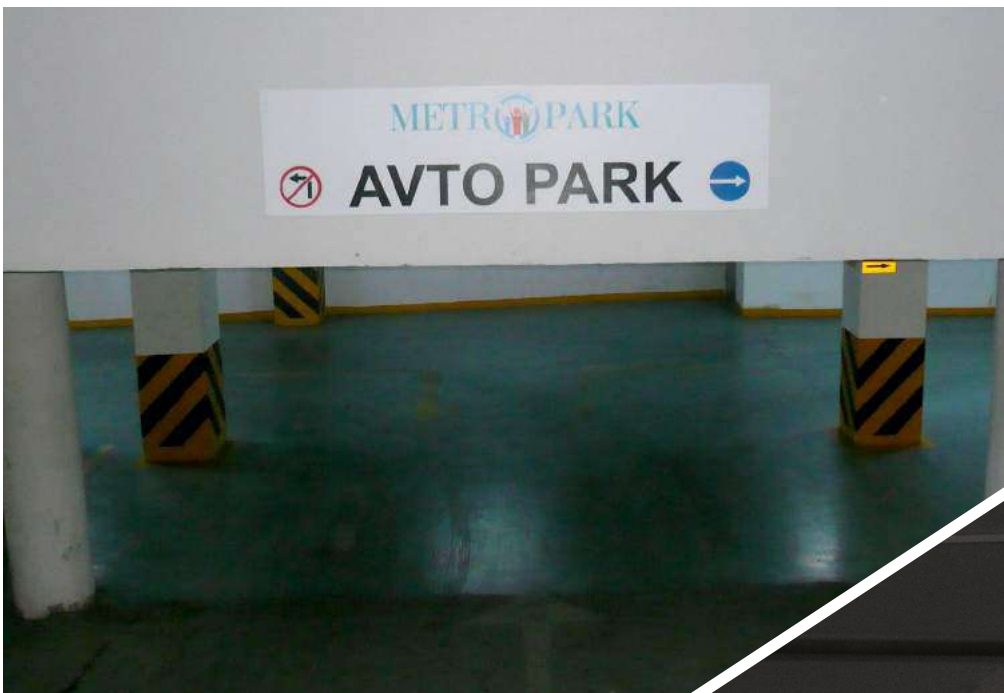

METROPARK SHOPPING CAR PARK

Name of the Project	: 7 floors parking
Project Duration	: 4 MONTHS
Project Budget	: 57,975.00 USD
Description of Work	: The supply of all electrical materials,

YAPIKREDİ BANK

Project Name	: Installation works in Baku and Sumqayıt
Project Duration	: 9 MONTHS
Project Budget	: 334.389,00 USD
Description of Work	: Implementation of server systems

TQD OFFICE

Project Name : TQD Office Electrical system
Description of Work : The supply of all electrical materials

EXTERIOR LIGHTING OF BUILDING

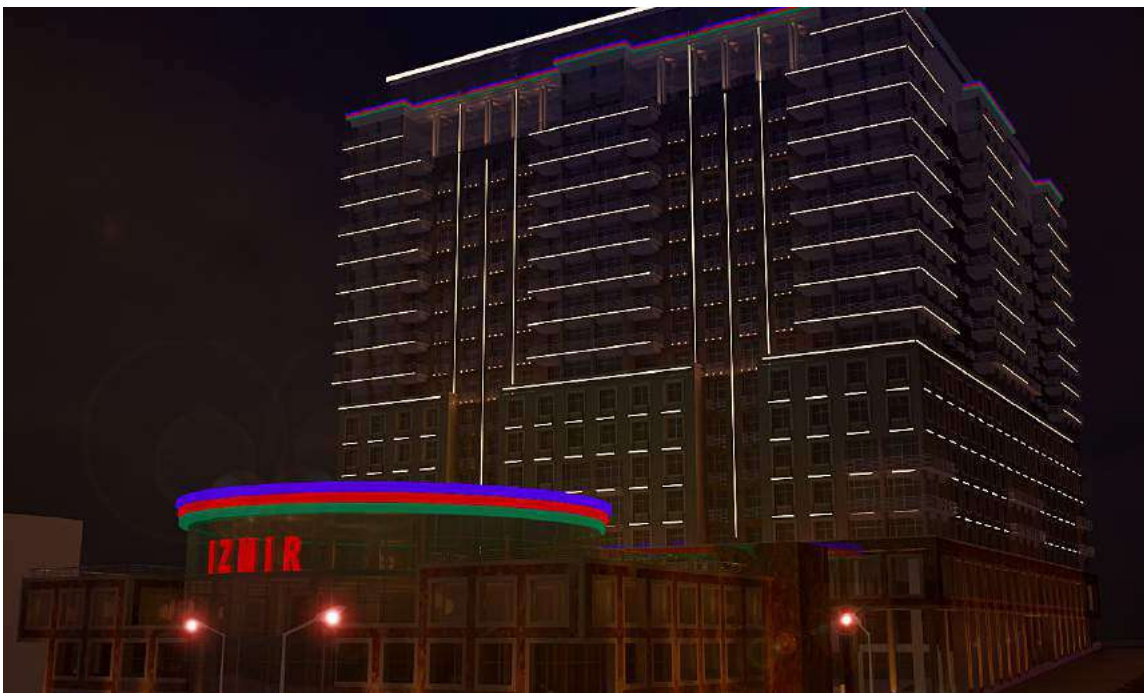

Project Name

: Exterior Lightining of Bulding

Description of Work

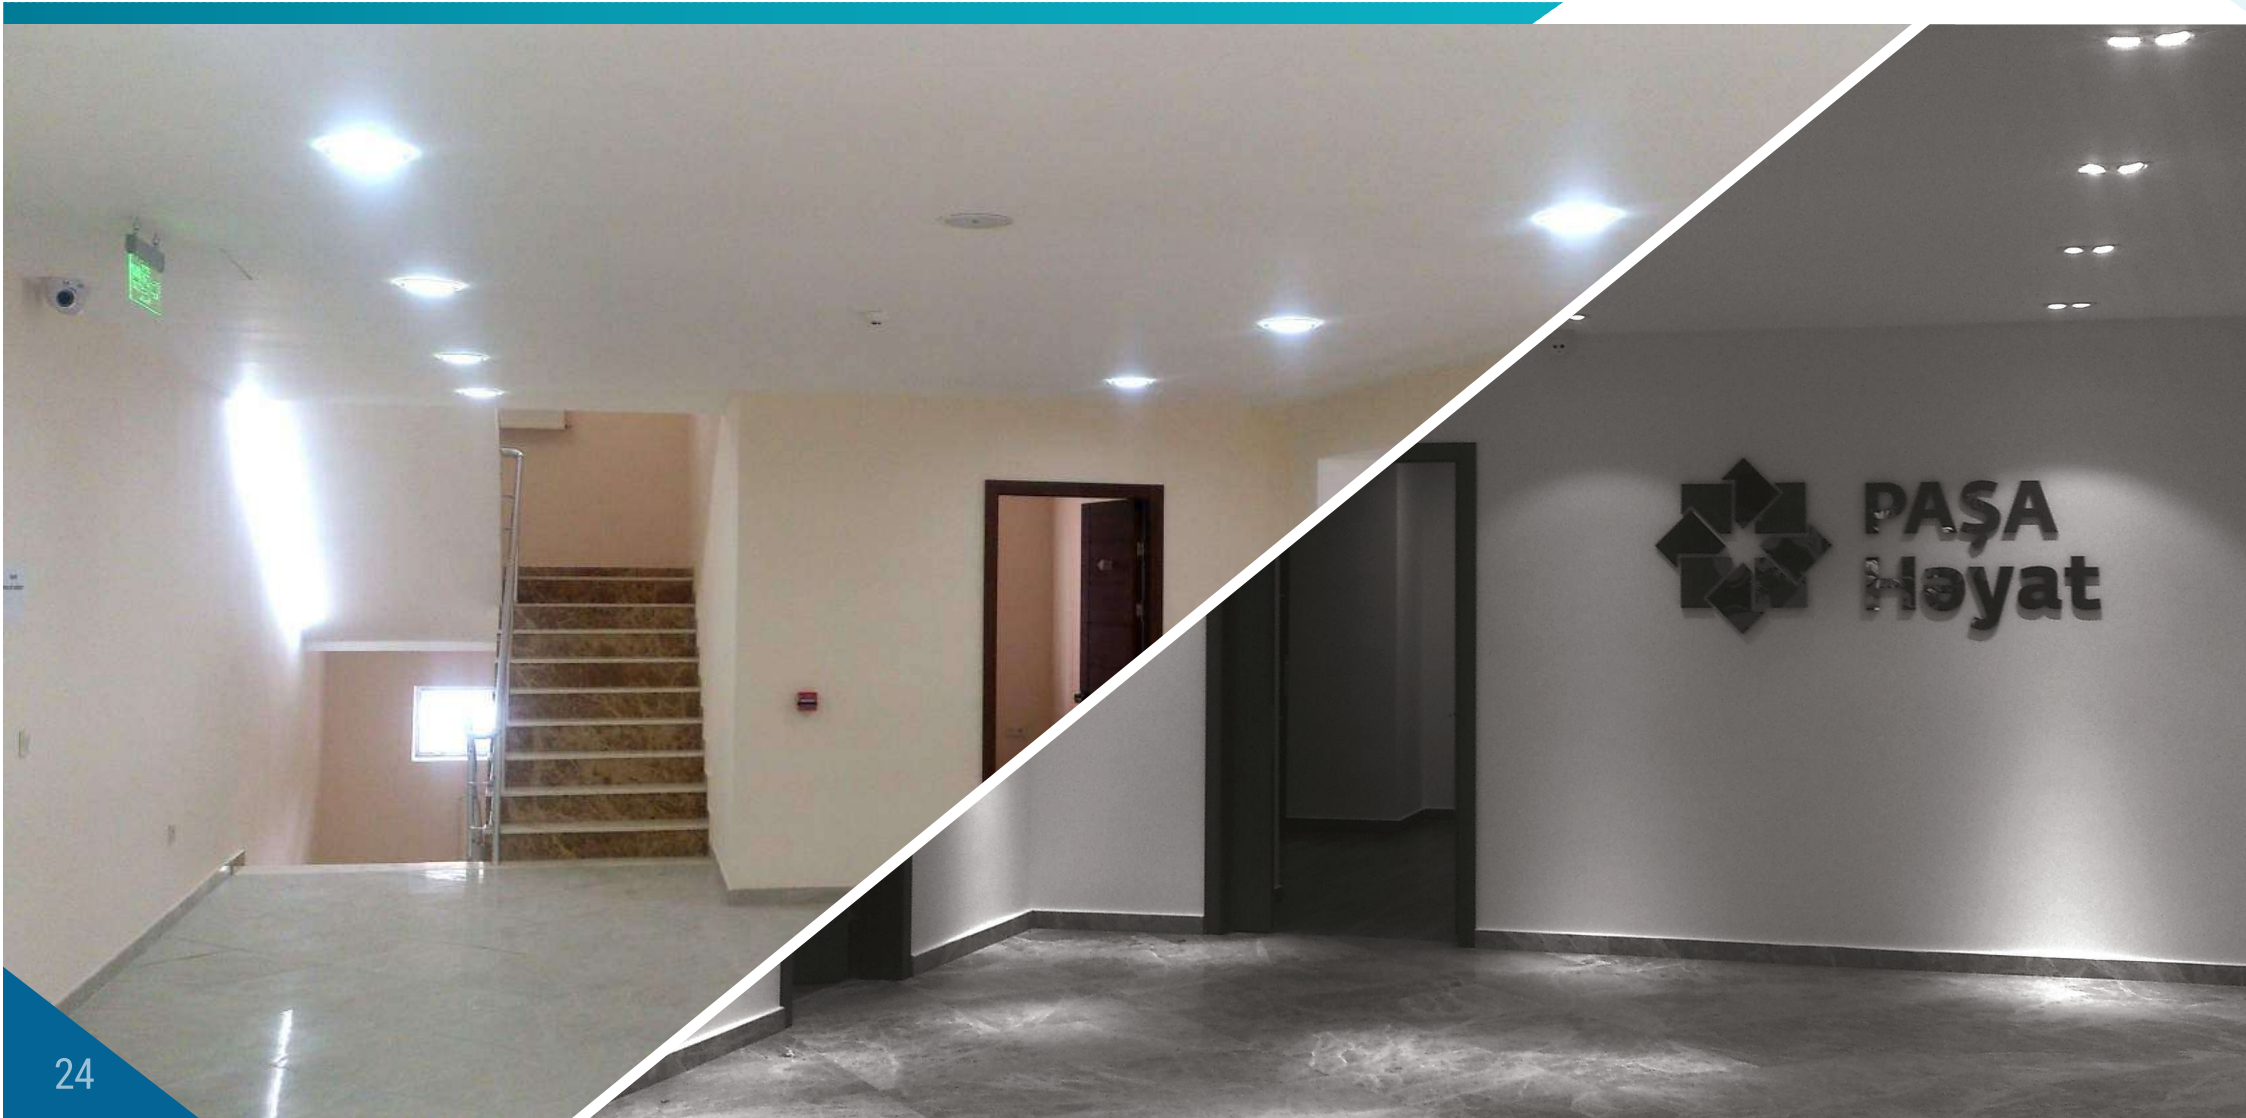

: The supply of lighting system materials and installation

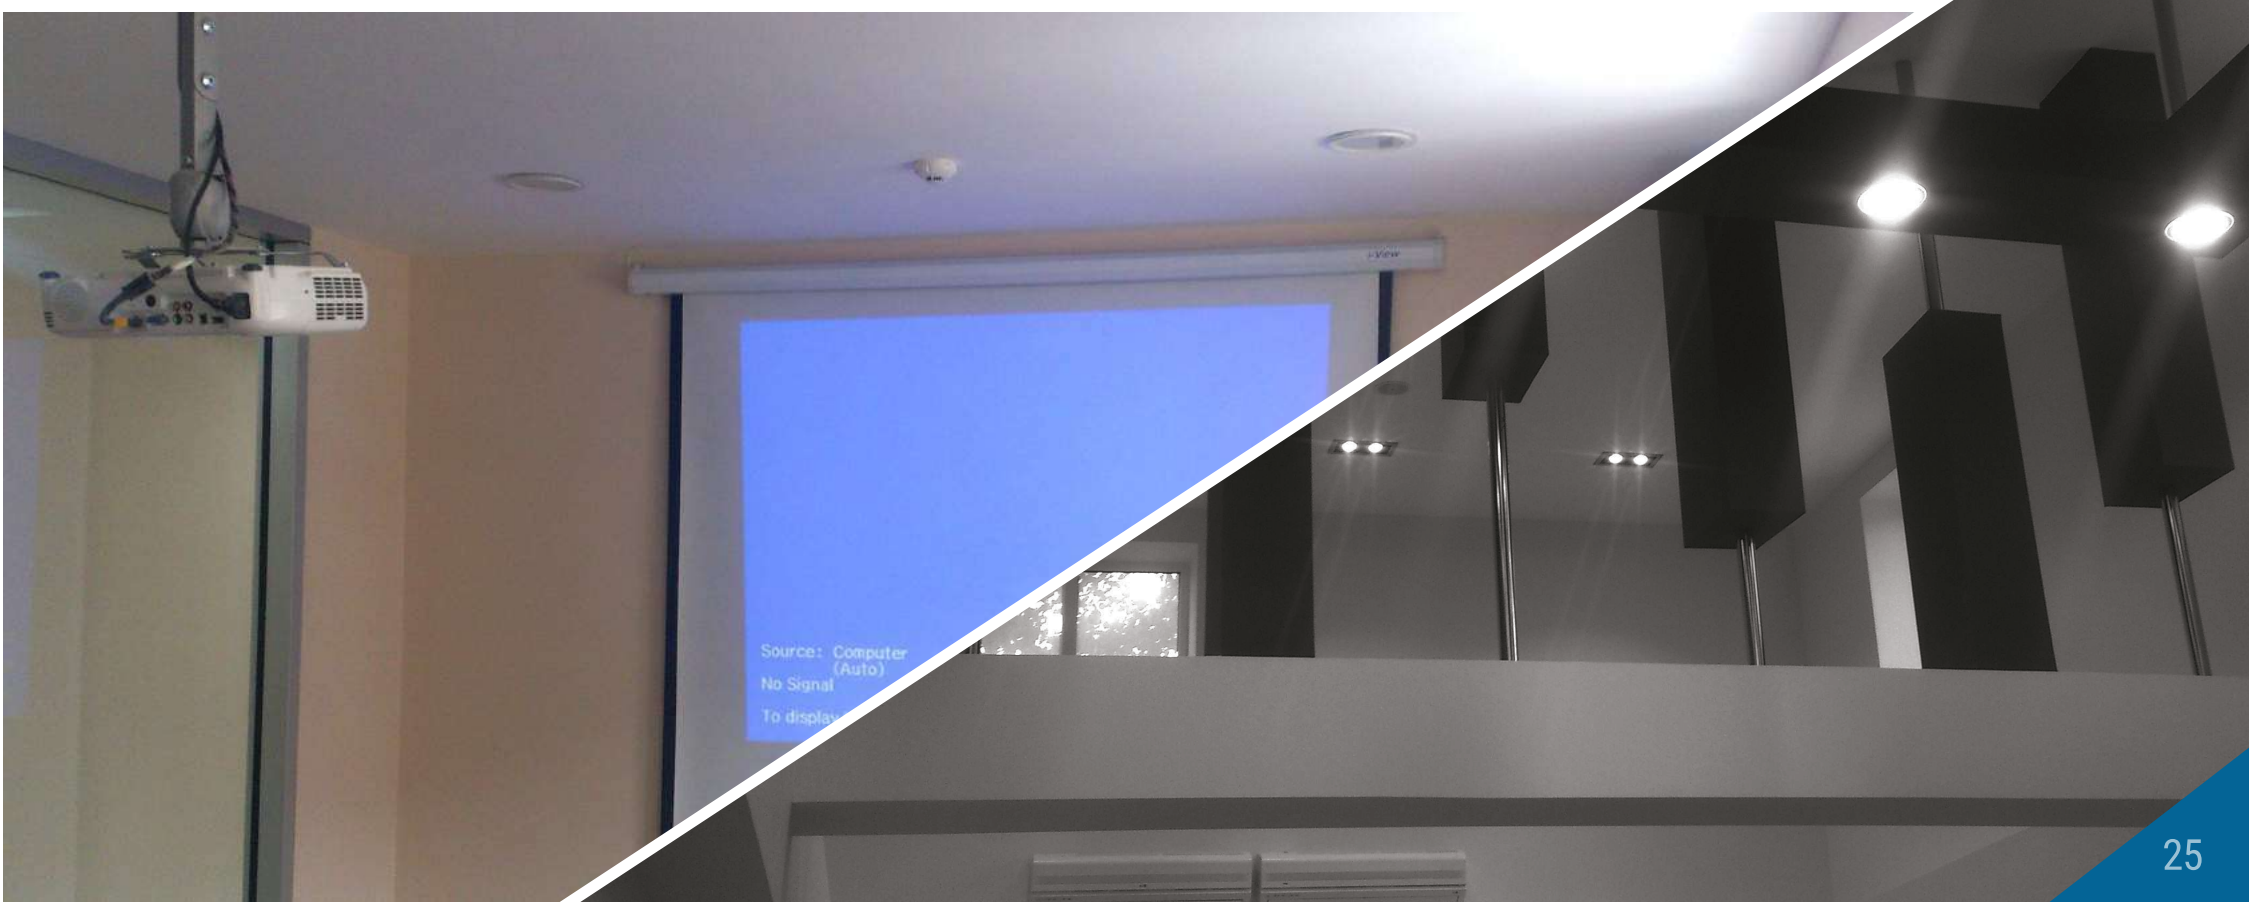

PASHA HEYAT OFFICE

Project Name : PASHA HEYAT Office Electrical system
Description of Work : The supply of all electrical materials

SEMPA OFFICE AND FACTORY

Project Name : SEMPA OFFICE AND FACTORY Electrical system
Description of Work : The supply of all electrical materials

HV SUBSTATION

Project Name	: The STP Factory is temporary substation
Project Duration	: 3 MONTHS
Project Budget	: 225.000,00 USD
Description of Work	: MV Switchgear and Concerte Kiosk

OTHER PROJECTS FROM AZERBAIJAN

A. We are selling the belowing equipments for MV Cell manufacturer from Azerbaijan

MV Circuit Breaker | MV Load Break Switch | Protection Relay | Curren and Volatge Transformer

B. Metal Kiosk Set

C. MV Switchgear Set

D. Distrubiton Transformer

E. MV and LV cable

TURKMENISTAN REFERENCE PRODUCTS

1. Metal Kiosk Set
2. MV Switchgear Set
3. Distrubiton Transformer
4. MV and LV cable
5. Generator
6. LV panel

ETHIOPIA REFERENCE PRODUCTS

1. Metal Kiosk Set
2. MV Switchgear Set
3. Distrubiton Transformer
4. MV and LV cable
5. LV Panel

RWANDA REFERENCE PRODUCTS

1. Metal Kiosk Set
2. MV Switchgear Set
3. Distrubiton Transformer
4. MV and LV cable
5. MV Disconnecter Switch
6. Drop Out Fuse

TUNUSIA REFERENCE PRODUCTS

1. Metal Kiosk Set
2. MV Switchgear Set
3. LV Panel

GEORGIA REFERENCE PRODUCTS

1. Metal Kiosk Set
2. MV Switchgear Set
3. AC and DC Control Panel
4. 110kV and 220 kV Current and Voltage Transformer
5. 220kV Disconnect Switch
